NOTICE OF VIRTUAL PUBLIC HEARING

December 3, 2020

Dear Property Owner or Resident:

This letter is to inform you the Planning and Zoning Board will conduct a public hearing to consider a development proposal near your property. **The hearing will be held virtually through Zoom.** Specific information about this development proposal is to the right and on the back of this letter. A decision regarding the approval or denial of the proposal will be made at the hearing.

City Council has authorized the use of remote technology for select hearings. You can participate over the phone, on the internet, or through the Zoom app on a smartphone, iPad, or computer. **Virtual participation information will be available at fcgov.com/developmentreview/proposals at least 48 hours in advance of the meeting.** You do not need a paid Zoom account to participate.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the public hearing so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

We welcome your participation in the development review process. More information can be found by visiting fcgov.com/CitizenReview. If you have any questions, please contact me or Alyssa Stephens at 970-224-6076 or devreviewcomments@fcgov.com. Alyssa is available to assist residents who have questions about the review process and how to participate.

Sincerely,

Will Lindsey | Associate City Planner
