**Project Name** 

Dog Daycare at 428 Linden

CDR240059

<u>Applicant</u>

Steve Schaefer

719-331-1596

steveschaefs@gmail.com

**Description** 

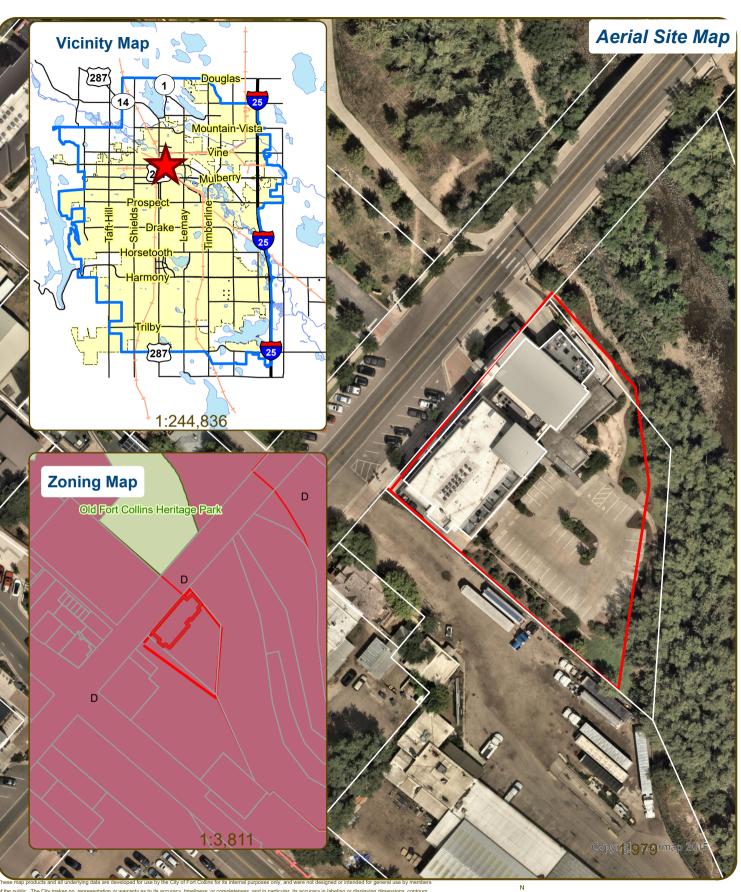

This is a request to use the existing structure as a dog daycare and animal boarding site at 428 Linden St (parcel # 9712235101). The applicant is proposing to rent the event space. The property will be design as an upscale dog daycare and boarding site with small and large dog play areas. Access is taken from Linden St. The property is directly east of Linden St and approximately 0.18 mi north of Jefferson St. The site is located in the Downtown River Subdistrict (R/I-D) and subject to a Type 2 Major Amendment (MJA) and Addition of Permitted Use (APU) Review.

#### Development Review Guide - STEP 2 of 8

## CONCEPTUAL REVIEW: **APPLICATION**

#### General Information

All proposed development projects begin with Conceptual Review. Anyone with a development idea can schedule a Conceptual Review meeting to get feedback on prospective development ideas. At this stage, the development idea does not need to be finalized or professionally presented. However, a sketch plan and this application must be submitted to City Staff prior to the Conceptual Review meeting. The more information you are able to provide, the better feedback you are likely to get from the meeting. Please be aware that any information submitted may be considered a public record, available for review by anyone who requests it, including the media. The applicant acknowledges that they are acting with the owner's consent.

Conceptual Reviews are scheduled on three Thursday mornings per month on a "first come, first served" basis and are a free service. One 45 meeting is allocated per applicant and only three conceptual reviews are done each Thursday morning. A completed application must be submitted to reserve a Conceptual Review time slot. Complete applications and sketch plans must be submitted to City Staff on Thursday, no later than end of day, two weeks prior to the meeting date. Application materials must be e-mailed to preappmeeting@fcgov.com. If you do not have access to e-mail, other accommodations can be made upon request.

At Conceptual Review, you will meet with Staff from a number of City departments, such as Community Development and Neighborhood Services (Zoning, Current Planning, and Development Review Engineering), Light and Power, Stormwater, Water/Waste Water, Advance Planning (Long Range Planning and Transportation Planning) and Poudre Fire Authority. Comments are offered by staff to assist you in preparing the detailed components of the project application. There is no approval or denial of development proposals associated with Conceptual Review. At the meeting you will be presented with a letter from staff, summarizing comments on your proposal.
