

Art Activities inspired by Bobcat Ridge Natural Area

Have you ever been inspired by nature when you create your own art? Attached below are some art activities to do after checking out photos of Bobcat Ridge Natural Area.

Create your own Landscape:

1. Create 3 different sections for your paper - one for the sky, mountains, and land
2. Each section will be different sizes based on how you want your landscape to look
3. Use any art materials to create your landscape- try watercolors, markers, crayons, or colored pencils
