

Photographer

Volunteer Description Overview

Compelling images help tell the story of the natural areas in communications materials ranging from printed publications to online resources. Volunteers who donate their photography work are important to the success of natural areas. Volunteer photographers are credited for their work where practicable.

Key Responsibilities

- Capture high-resolution, quality photographs on natural areas properties and of department events.
- Follow Natural Areas regulations when photographing unless specific permission for an exception has been given by project manager.
- Share photographs with project manager.
- Record your hours and impact through the City's online system, Engage

Impact

Support the Natural Areas mission by capturing images that will be used in communications.

Training

- FC Volunteer's online onboarding course
- Natural Areas' online orientation
- Opportunity to attend continuing education sessions
